# Contract Packaging

“It’s a win-win situation for everyone. By outsourcing our production needs to Clovernook, not only did we save money, but we were able to help those with visual impairments and other disabilities.”

-Bill Dieckmann  
M.E. Heuck Co.

## What is Contract Packaging?

For over 18 years, Clovernook has been providing businesses with economical solutions specializing in: product assembly, kitting, bulk mail preparation, packaging, heat sealing and more. We offer cost-saving solutions for all industries.

Our dedicated employees and unparalleled quality control are what make us able to meet your expectations.

## How will you benefit?

All too often, companies are unaware of how much money they can save by outsourcing their production needs. Clovernook's Contract Packaging service can:

- Streamline your business
- Save you time and money
- Give employment to people with visual impairments.

By offering a wide range of solutions, Clovernook offers time and cost saving solutions that effectively utilize resources and enhance efficiencies.

## How does it work?

If your company has a need for outsourcing production services in order to streamline the business and save money, find out how Clovernook's Contract Packaging services can make a difference.

At Clovernook, we make your packaging needs our priority.

Call Jo Morell, sales representative, at 513.728.6259 or [jmorell@clovernook.org](mailto:jmorell@clovernook.org) to complete your labor intensive tasks.
